

HOW TO HOST A BIRTHDAY PARTY AT TWINKLE LAND

Hosting a birthday party at Twinkle Land involves TWO steps

Step 1

Reserve:

- Make a reservation for the birthday party room on our website. <https://www.twinklelandplaycafe.com/book-online>.
- We offer a semi-private dining area reserved **exclusively** for your party.
- You will have **9 tables** and **48 seats** available for you to arrange and use as your preferences.
- The area features a stage and a television, where we can play your customized video or photos during the celebration.

Cost:

- **1.5 hrs cost \$380**
- Each additional hour cost an extra **\$150**

Note:

- The reservation fee you paid secures the dining area for your party and the fee remains the same regardless of the number of guests. You'll have 15 minutes before your party to decorate and 15 minutes after to clean up, with staff available to assist. For 10 AM parties, you may arrive at 9:30 AM for early access to decorate before the store opens.
- The fee **DOES NOT** include play, as play is calculated based on the children's headcount, which will be explained in step two.

Step 2

Play:

- There are **three** play sections to choose from for your party: **Playground, DIY and Arcade**. You can select one, two, or all three, based on your preference.

Cost:

- We use Twinkle Coins for activities, which can be purchased at the register.
- Playground: **32** Twinkle Coins
- DIY: **23** Twinkle Coins
- Arcade: **2 - 5** Twinkle Coins per game
- We do not sell hourly passes. Once admission is purchased, it is unlimited play for the day.
- Admission is based on the **children's headcount**. One child can bring one adult into the playground for free.

Discount:

- Birthday child receives free playground admission .
- We offer a recharge program with **5** packages to choose from. The more you recharge the better the deal.
- For example, the **\$300** package gives you **370** coins - **70** extra coins, which is about **19%** off. To check the details, please refer to the recharge table .

Recharge Table

| NO. | CASH RECHARGE | TWINKLE COINS |
|-----|---------------|---------------|
| 01 | \$300 | 370 |
| 02 | \$500 | 640 |
| 03 | \$800 | 1100 |
| 04 | \$1000 | 1400 |
| 05 | \$1500 | 2300 |

- Please keep in mind that coins never expire and remain on your card. Any unused coins can be used on future visits.

To Keep It Simple:

- The party dining area is priced by hourly rate, not headcount.
- Play sections, in contrast, are based on headcount, not by hourly rate.

Example of the Total Spending

To book a party for 10 children:

(only count the number of children for playground entry, as each child can bring one adult into the playground for free)

The party room reservation fee is **\$380**.

- You will need 32 (entrance fee) x 10 (number of children) = **320** Twinkle coins for the playground access.

Recharging **\$300** gives you **370** Twinkle Coins.

Total spending:

- Party room reservation fee: **\$380**
- Recharge fee: **\$300**

Total: \$680

This covers the party room and provides enough Twinkle Coins for all guests, with some coins left for future use, which never expires.
